Dear Parents

2018 SCHOOL CHARGES AND CONTRIBUTIONS

The Spearwood Primary School Board has endorsed the schedule of Contributions and Charges for 2018. The schedule is broken into four sections and will allow you to calculate all costs that may be incurred throughout the school year.

1. Contributions

The total amount of contributions parents/caregivers are being asked to pay has been set at \$60.00 per student which is in line with the School Education Regulations 2000.

Money collected will be used to supplement school expenditure in the curriculum learning areas. While the contributions are voluntary, the quality of our teaching and learning program will be maximised when each family makes its contribution to the cost of supplementing funding gained from other sources, including the State and Commonwealth governments.

The School Board has suggested a number of options be offered to assist parents making their contribution.

Option 1 A single contribution of \$60.00. This can be paid at the school office.

Option 2 Four equal contributions, each of \$15.00 made in the first week of each term.

Option 3 Two payments, each of \$30.00 made in the first week of each semester.

The School Board would like to point out the contribution per child (\$60.00) equates to \$1.50 per week over the course of the year.

We also point out that all contributions are used for the direct benefit of the children. Our aim is to raise our community's contribution rate to at least 80% for the benefit of all our children.

2. Charges For Extra Cost Optional Components

A breakdown of estimated charges for your child's participation in excursions, incursions, activities for 2018 have been included in the table attached. Details on charges collected in previous years have helped guide the 2018 estimate of charges. The amounts shown represent the maximum charged for scheduled activities in 2017.

The schedule includes costs associated with:

- Specific learning activities and available to **all** students, but conditional on a payment being made including: . e.g., incursions, excursions.
- Specific learning activities available to **selected** students, but conditional on a payment being made. e.g., PEAC or Instrumental Music School Services (IMSS), etc.
- Other activities available to all students, but conditional on a payment being made. e.g., graduation lunch, camps, etc.

3. Items For Personal Use

The list of items for personal use will vary from student to student and includes:

- Pupil requirements for all students and used in lessons e.g., stationery items and workbooks.
- Pupil requirements recommended but not essential for all students e.g., tissues, art shirt, etc.
- Pupil requirements for selected students and not directly part of the educational program. e.g., class photographs, etc.

The recommended list of Items for Personal Use for your child will be distributed with this Charges and Voluntary Contributions schedule. All materials can be purchased through Office Max; however, you are not obliged to use this supplier. Your child will need to have the listed materials each school day so it will be necessary to replace some items, such as pens or pencils, throughout the year.
