

PIZZA AND PAPER PLANES

Dads of Spearwood Primary School! Join other like-minded fathers and father figures supporting each other to be better role models in their children's lives.

We are hosting a free pizza and paper plane making night for all Spearwood Dads and Father Figures on Saturday 29 May, run in conjunction with The Fathering Project and Connecting Community for Kids.

There will be awards for the best made plane and longest flight!

This is an opportunity to spend some time with your kids, whilst giving you time to connect with other dads in a relaxed social environment.

DATE

Saturday 29 May

TIME

4pm - 6pm

LOCATION

Spearwood Primary School

RSVP (by Thursday 27 May)
